Weekends

Class Date

June 10th- Shagwa Lake (Classroom at Semer's Park Pavilion)

June 14th- Vermilion Lake (Classroom at Greenwood Town Hall)

June 24th- Farm Lake (Classroom at Kawishiwi Ranger station)

July 8th- Burntside Lake (Classroom at Listening Point Yurt)

Instructions: Arrive at Classroom site at 8:30 am. A light breakfast will be served. After classroom instruction, you will be outside for 2 hours - dress for the weather (consider sunscreen and bug spray)

Smartphone: Attendees with smart phones will be able to use them to document GPS coordinates and may consider downloading the edMAPS Midwest ap from this website:

<https://www.eddmaps.org/midwest/?id=4493053>. This will allow you to join citizen scientists across the Midwest reporting their sentry findings. You will be taught both manual and smartphone options for recording sentry findings.

Signature: _____ Date: _____
